

FY25 Benefits Required Notices

Important Notice from Memorial Hermann About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Memorial Hermann and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Memorial Hermann has determined that the prescription drug coverage offered by the Memorial Hermann Medical Plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Memorial Hermann coverage will be affected. Also, if you do decide to join a Medicare drug plan and drop your current Memorial Hermann coverage, be aware that you and your dependents may not be able to get this coverage back.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Under the current Memorial Hermann Health Plan, you pay an annual pharmacy deductible on brand drugs of \$50 per covered individual. **You may purchase a 30-day supply of medication for the following costs:** \$10 (generic), 30% after deductible (min: \$35, max: \$75) (preferred brand), or 50% after deductible (min: \$50, max: \$125) (non-preferred brand). **You may purchase a 90-day supply of medication for the following costs:** \$25 (generic), 30% after deductible (min: \$90, max: \$190) (preferred brand), or 50% after deductible (min: \$125, max: \$315) (non-preferred brand). Specialty medication may be purchased for \$150 (preferred brand) or \$200 (non-preferred brand) for a 30-day supply. Pharmacy out-of-pocket costs will be applied to the overall medical and pharmacy out-of-pocket limits.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Memorial Hermann and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least one percent of the Medicare base beneficiary premium per month for every month that you did not have that

coverage. For example, if you go 19 months without Creditable Coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Contact the persons/entities listed below for further information.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan. If this coverage through Memorial Hermann changes, you also may request a copy of this notice at any time.

More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained Creditable Coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBC is available on the web at www.mhenrollment.com or on our intranet (*a//HR* via OneSource). A paper copy is also available, free of charge, by calling HR Shared Services at **713.456.MHHR (6447)**.

Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Notice of Availability

Under HIPAA, the Memorial Hermann health care plans (the “Plan”) are required to provide you with a HIPAA Notice of Privacy Practices (“Notice”) at the time of your enrollment and at certain other times. In addition, the Plan is required to periodically notify you of the availability of the Notice and provide you with information on how to obtain a copy of the Notice. You may obtain a copy of the Plan’s Notice at any time by accessing the *a//HR* website via OneSource (the company intranet). To request a paper copy of this notice, contact HR Shared Services at **713.456.MHHR (6447)**. To the extent the Plan contains benefits other than those covered under HIPAA’s Privacy rules, this reminder relates only to those health care benefits that are covered under HIPAA’s Privacy rules.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **866.444.EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility.

HIPAA Notice of Special Enrollment Rights

This notice describes special circumstances which may allow you and your eligible dependents to enroll in Memorial Hermann group health coverage during the year. Please review it carefully.

Memorial Hermann sponsors a group health plan (the “Plan”) to provide coverage for health care services for our employees and their eligible dependents. Our records show you are eligible to participate, which requires you to complete enrollment in the Plan and pay your portion of the cost of coverage through payroll deductions or to decline coverage. A federal law called HIPAA requires we notify you about your right to later enroll yourself and eligible dependents for coverage in the Plan under “special enrollment provisions” described below.

Special Enrollment Provisions

Loss of Other Coverage. If you decline enrollment for yourself or for an eligible dependent because you had other group health plan coverage or other health insurance, you may be able to enroll yourself and your dependents in the Plan if you or your dependents lose eligibility for that other coverage, or if the other employer stops contributing toward your or your dependents’ other coverage. You must request enrollment within 30 days after you or your dependents’ other coverage ends, or after the other employer stops contributing toward the other coverage. Please contact HR Shared Services for details, including the effective date of coverage added under this special enrollment provision (contact information provided below).

New Dependent by Marriage, Birth, Adoption or Placement for Adoption. If you gain a new dependent as a result of a marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your new dependents in the Plan. You must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption. In the event you acquire a new dependent by birth, adoption or placement for adoption, you may also be able to enroll your spouse in the Plan, if your spouse was not previously covered. Please contact HR Shared Services for details, including the effective date of coverage added under this special enrollment provision (contact information provided below).

Enrollment Due to Medicaid/CHIP Events. If you or your eligible dependents are not already enrolled in the Plan, you may be able to enroll yourself and your eligible dependents in the Plan if you or your dependents lose coverage under a state Medicaid or Children’s Health Insurance Program (CHIP) or if you or your dependents become eligible for premium assistance under state Medicaid or CHIP. You must request enrollment within 60 days from the date of the Medicaid/CHIP event. Please contact HR Shared Services for details, including the effective date of coverage added under this special enrollment provision (contact information provided below).
